Dear colleagues,

We invite you to participate in the third Scientific Conference “Modern Phytomorphology”, which will take a place on 13-15 May 2014 in Lviv (Ukraine) on the basis of the Department of Botany of Biology Faculty of Ivan Franko National University of Lviv and State Natural History Museum of NAS Ukraine.

Especially we invite the scientists specializing in the field of anatomical and morphological studies of plants, fungi and lichens. All scientists applying anatomical and morphological data in the investigations of biology and ecology of above mentioned organism groups are welcome.

The papers will be published as a separated book of conference proceedings.

Working areas of conference:

- ▶ theoretical bases and history of structural studies on plants, fungi and lichens;
- ▶ anatomical and morphological studies on plants, and their application in the other fields of botany and ecology;
- ▶ anatomical and morphological studies on fungi and lichens, and their application in the other fields of mycology and lichenology.

Working languages:

English (preferred), Ukrainian and Russian.

Participation:

Please make three simple steps to participate in conference:

- 1) register on <http://phytomorphology.org/registration/>
- 2) send an article on phytomorphology2014@gmail.com
- 3) pay the organizing fees before **31 December 2013** by mail transfer or SWIFT:

**Payments:**

Organizing fees consist of registration fee plus publishing fee:

- ▶ **registration fee** – 17 € for personal participation or 10 € – for distant participation;
- ▶ **publishing fee** – 2.2 € per one page of manuscript.

In the case of submitting of several manuscripts the registration fee is paid only once. In the case of personal participation of several co-authors the registration fee is paid by each of them. The organizing fees cover organizational expenses, participant package and coffee-breaks (for personal participants) and shipping of one author's copy (for distant participants). The organizing fees does not cover accommodation, travel costs and lunches.

Paper requirements:

The manuscript size is unlimited; font – Times New Roman, size – 12 pt., indentation – 1,25 cm, 1,5-spaced, width fitted; margins 2 cm on all four sides.

File format “.doc” or “.docx”. The file name should contain the first author's name (e.g. – novikoff_text.doc).

Text sequence: article title, author's names, institution name, postal address, e-mail, summary and keywords in the language of the main text, main text, references.

If the main text language is different from English, then print the titles for figures and tables both in the language of main text (Ukrainian or Russian) and in English, as well as give the article title, institution name, postal address, e-mail, summary and keywords in English at the end of the manuscript.

Quotations:

Quotations in the text should be as follows. For one author: (Kondracki 1978); for two authors: (Capelletti & Poldini 1984); for three or more authors: (Cieśliński *et al.* 2009). Also it can be quoted as Kondracki (1978: 55-60) or (Kondracki 1978, 1980).

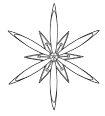

References should be as follows:
