All necessary information about Lviv (public transport, map, places to stay and eat etc.) is available on <http://lviv.travel/en/index>

In case of need the Organizing Committee can provide additional information personally.

The Conference will be held at Faculty of Biology of Ivan Franko National University of Lviv at the following address: **4, Hrushevskiy Str, Lviv.**

On [http://lviv.travel/en/index/about\\_lviv/transportation](http://lviv.travel/en/index/about_lviv/transportation) you can find how to reach the Conference place by public transport.

Programme of the Conference will be send in **April 2017**.

More information concerning Conference can be found at <http://bioweb.lnu.edu.ua/postup/> or find out from the Organizing Committee by phone +38032 239 47 86 or by e-mail [postup.conf@ukr.net](mailto:postup.conf@ukr.net)

**SHORT PROGRAMME OF THE CONFERENCE**

**APRIL 25, 2017**

**8:00 – 10:30** – registration of participants of the conference (Faculty of Biology, 4, Hrushevsky Str, III floor)

**11:00 – 14:00** – opening of the conference. Plenary session (The administrative building of the University, 1, Universytetska Str, assembly hall).

**14:00 – 15:00** – lunch time

**15:00 – 18:00** – oral and poster presentations at the sections of «Botany and Plants Introduction», «Ecology» and «Biophysics» sections (Faculty of Biology, 4, Hrushevsky Str, III floor).

<b>15:00–18:00</b>
Botany and Plants Introduction, room 321
Ecology, room 332
Biophysics, room 333

#### **APRIL 26, 2017**

**9:30 – 13:30** and **15:00 – 18:30** – oral and poster presentations at the sections of «Human and Animals Physiology, Biomedicine», «Microbiology, Virology and Immunology», «Biochemistry» and «Genetics and Biotechnology» (Faculty of Biology, 4, Hrushevsky Str., III floor).

**13:30 – 15:00** – lunch time

**14:00** – excursions to the Zoological Museum

<b>9:00–13:30</b>	<b>15:00–19:00</b>
Human and Animals Physiology, Biomedicine, room 321 (first session)	Human and Animals Physiology, Biomedicine, room 321 (second session)
Microbiology, Virology and Immunology, room 332 (first session)	Microbiology, Virology and Immunology, room 332 (second session)
Biochemistry, room 333 (first session)	Biochemistry, room 333 (second session)
Genetics and Biotechnology, room 316 (first session)	Genetics and Biotechnology, room 316 (first session)

**From 19:15** – excursions to the historical center of Lviv (central part of the city, «Night Lviv», museums and theaters (for choice)).

#### **APRIL 27, 2017**

**9:00 – 13:00** – oral and poster presentations at the sections of «Zoology», «Plants Physiology» and «Molecular and Cell Biology» sections (Faculty of Biology, 4, Hrushevsky Str, III floor).

**13:00 – 15:00** – lunch time

**14:00** – excursions to the Zoological Museum or Botanical Garden etc. (for choice)

<b>9:00 – 13:00</b>
Zoology, room 316
Plants Physiology, room 332
Molecular and Cell Biology, room 333

**15:00 – 16:00** – closing of the conference and awarding of the best oral and poster presentations contest winners (Faculty of Biology, 4, Hrushevsky Str, room 333).

**17:30** – excursions to the Botanical Garden.

*Welcome to Lviv!*
