### Confirmation Letter for Contribution to DAAD Project

Dear Sir or Madam,

This is to confirm that Ms. Halyna Yavorska, Associate Professor at the Department of Microbiology at Ivan Franko National University of Lviv, has developed 6 teaching units for the course "Digital Technologies in Natural Sciences" in our project "Lehrnbrücke Chemnitz-Lviv" (2022) in the programme "Ukraine digital" of the German Academic Exchange Service (DAAD).

Dr. Benny Liebold

Head of the International Office
